PRESENTER BIOGRAPHY

Dionie T. Bibat, MSN, RN, CWCN

Division Manager, Clinical Services

Dionie Bibat represents Medline's Clinical Services Division, supporting both internal and external post-acute customers; providing clinicians, and top-level administrators with a comprehensive approach to skin care using educational and clinical support programs including advance wound care and continence management; product evaluations, conversions, and troubleshooting issues.

Dionie earned a Bachelor's degree in Nursing from Loyola University and has a Master of Science in Nursing: Family Nurse Practitioner (FNP) from Olivet Nazarene University. She is a Wound Ostomy Continence Nurse and obtained this specialty from the Wicks Educational Associates program.
